

Rice County Pheasants Forever Chapter 821

For the spring of 2009 we will have the following seed and food plot mix available.

Seed Corn:

Roundup ready corn.

Food Plot Mix:

Winter Survival Mix.

Heavy on Corn, with plenty of Sorghums, Sunflowers, & Buckwheat. We have three bags.

Rooster Booster Mix

**Heavy on sorghums, with lots of corn, buckwheat, & German millet
We have two bags.**

There is no cost for the seed or food plot mix.

If you are interested please fill out the cost share application or call the Rice County P.F. Habitat Chair for more information.
